

## Where in Florence would you like to live?

PITCHER & FLACCOMIO, located in the heart of Florence for more than 25 years, has a well-deserved reputation for assisting our DISCERNING clients by fulfilling such requests as: "I want to throw a party in a Tuscan villa for 200 of my dearest and closest friends." or "I need a secluded country house where I can sunbathe in the nude and skinny-dip in the pool."

Our straight-forward appraisal of all our properties – indicating both the positive and negative aspects – is greatly appreciated by our ASTUTE clients who want to realize their dream of living in this treasured birthplace of the Renaissance, instead of staying home and just fantasizing about it.

Assisting homeowners to realize their property's rental or sales potential has confirmed our position as the most RELIABLE agency in Florence and Tuscany. SMART owners use our property-management services to ensure their peace of mind while traveling in their yellow submarine or hiking the Himalayas.

Please visit our website to confirm everything that we have stated above, or call, email or just drop by our office. CLEVER people make an appointment for a personal consultation. So for your next adventure, whether it be to buy, to sell, or to rent – or all three – contact us, and we'll get right on top of it today.

Let's face it, the world of the web is impersonal and overwhelming, so use our SKILLFUL services instead. Then you can concentrate on the more important things: your next gelato, plate of pasta or – better yet – a glass or two of Chianti.
